

Archery Classes

At The Anderton Centre

Voice for All have partnered up with the Anderton Centre in Chorley to offer archery classes on Tuesdays for 6 weeks, starting on 12th February 2019.

The lessons will take place between 1pm to 3pm, with a break for a hot/cold drink.

The 6 week course will cost £36, making it £6 per class. Please pay the total amount before the course starts. There is no cost for support staff.

There will be 10 places on offer for the people we support plus support staff. The places will be offered on a first come first serve basis.

The location of the archery classes is very accessible, making it possible for people with limited mobility to take part. The centre can also hold lessons inside if it's too cold.

There will be new crossbows and stands available which means everyone will be able to take part. People won't have to pull the string back if they are unable to do so; they can simply just push a lever on the crossbow to fire.

If you would like to take part or for more information please contact Daniel Hall on ☎ 07436 790 069 / 4850
