Dear all at Brothers of Charity,

After an incredibly busy Christmas and New Year period we would like to send our thanks to all who contributed to the generous donations given to Manchester Central Foodbank over this Festive Season!

December is always a challenging time for our foodbank and especially for those relying on our service; however, we are always proud to see the incredible generosity of those individuals who provide support through donations such as this. We were particularly amazed this year by the hugely generous donations and support that we received.

Your food donations of 89.4kg will mean that we are able to provide ongoing support to those in crisis living in the Manchester Central area. Your support ensures that we can continue to provide full, balanced and nutritious food parcels to individuals and families living in the central Manchester area during their time of need. You should be very proud of all your hard work and organisation to collect this amount!

As we begin 2017, your donations have ensured that we can continue providing food parcels to those in need throughout the year ahead. We really couldn't do what we do without your support, so on behalf of the whole Foodbank team we would like to thank you all!

Very best wishes for the year ahead,

Dan O'Brien

Project Manager
