Brothers of Charity Services in England Food Collection at Imageink

Throughout May we are holding a food collection at Imageink for all staff and people we support to get involved with.

On 30th May 2019, as a final opportunity to donate to the food bank, people who attend the weekly disco at Imageink can pay to attend by donating food instead.

The disco will start at 1:30pm at Imageink.

All food received is greatly appreciated and will be donated to a local food bank in June.

Thank you!
